Lifeline® Emergency Cart

Designed for a code. Not adapted for one.

Lifeline's integrated features are specifically designed for Code Response. Available in Blue or Red.

- **Infection Control:** Lifeline helps improve Infection Control with a cleaner design that includes corrosion proof polymer materials, smooth rounded corners to allow for easy cleaning and Microban Antimicrobial Product Protection that keeps the cart cleaner between cleanings.
- **Superior Maneuverability:** Lightweight polymer construction, 5" (127mm) diameter casters, an ergonomic handle and a proprietary 5th wheel steering system provides for easy maneuvering and assures maximum control in transit.
- **Organization and Identification:** Get organized with Lifeline. Self-closing, full access drawers in a variety of heights, drawer divider systems, exchange trays and drawer labels are available to allow for easy access and identification of drawer contents.
- **Security for Every Need:** Tamper evident seals secure the top compartment, drawers and side bins. Drawers can be sealed in segments or one seal can secure the entire cart.
- **Field Upgradable:** Drawers and many accessories may be added or reconfigured at the facility. Choose the drawers and accessories for today's Code Response needs and change them to meet tomorrow's.

Lifeline® Emergency Cart

Metro incorporates several elements in its product design to support a facility's infection control processes:

- Microban® antimicrobial protection helps keep products "cleaner between cleanings"
- Advanced polymer and other proprietary finishes provide corrosion resistance
- Smooth rounded corners to allow for easier cleaning

Look for the "red check" symbol for this added protection.

*Microban® antimicrobial product protection helps keep surfaces "cleaner between cleanings" by inhibiting the growth of bacteria, mold and mildew that cause odors and stains on the shelf surface.

*MICROBAN® and the MICROBAN® symbol are registered trademarks of the Microban Products Company, Huntersville, NC.
